

Quality Policy

Formaplex Ltd is dedicated to building value and creating growth. It is our vision to become the go to solution for both existing and prospective customers by satisfying their needs and requirements and delivering a world class service.

We are committed to achieving the highest level of quality by:

- Investing in high quality skills, technologies, facilities and customer relationships;
- Establishing and maintaining a quality management system compliant with ISO 9001:2015, [IATF16949:2016](#) and [AS9100D](#);
- Production and review of measurable quality objectives with focus on improvement, efficiency and performance targets;
- Ensuring customer and applicable statutory and regulatory requirements are determined, understood and consistently met;
- Continual development of workforce to improve understanding of customer requirements and encourage pro-active contribution to the effectiveness of the quality management system;
- Safe-guarding the business through promotion of risk and opportunity awareness at all levels of the organisation.

These objectives are regularly reviewed in line with other commitments for the continual improvement of products, processes and systems.
